KINGDOM OF SAUDI ARABIA

About us

Founded in 2013 in Dammam, the vibrant heart of Saudi Arabia's industrial sector, Support Lines has grown from a promising startup into a beacon of service excellence and innovation.

Originating from the bustling oil hub of the Eastern Province, we have rapidly evolved, extending our reach and enhancing our capabilities to meet and exceed the dynamic needs of our clients in various sectors, including oil and gas, petrochemicals, and more.

Our journey is driven by a commitment to quality and a deep understanding of our client's requirements, ensuring we deliver solutions that are not only effective but also sustainable.

Our Services includes

VISION

"Our vision is to forge a path toward long-term sustainable growth, enriching our customers' operations with world-class, highly differentiated products and services. We aim to be the gold standard in our industry, recognized for our superior returns and forward-thinking approach".

MISSION

"We are on a mission to establish ourselves as a leader in the industry, renowned for the exceptional quality, reliability, and customer satisfaction we deliver. Our goal extends beyond national borders, aiming for regional and international acclaim by consistently providing top-tier services and products"

VALUES

- **Integrity**

We adhere to high ethical standards, ensuring our decisions are transparent and honest.

- **Pursuit of Excellence**

Our relentless drive to surpass what we previously achieved sets us apart. We aim to elevate every project beyond our client's expectations.

- **Accountability**

Each team member embraces full responsibility for their actions, contributing to our collective success.

Why support lines

At Support Lines, we do more than just supply products we deliver value through an integrated supply chain built on speed, reliability, and strategic expertise.

Our deep industry knowledge, global sourcing network, and client-focused logistics solutions make us a trusted partner across multiple sectors .

With a strong foundation in procurement, warehousing, and after-sales service, we ensure our clients receive end-to-end support from planning to delivery.

Strategic Procurement & Sourcing

At Support Lines, we do more than just supply products we deliver value through an integrated supply chain built on speed, reliability, and strategic expertise.

Our deep industry knowledge, global sourcing network, and client-focused logistics solutions make us a trusted partner across multiple sectors. With a strong foundation in procurement, warehousing, and after-sales service, we ensure our clients receive end-to-end support from planning to delivery.

Key Offering

- ♦ Vendor qualification and management
- ♦ Local and overseas procurement
- ♦ Bulk and project-based sourcing
- ♦ Cost optimization and price negotiation
- ♦ Compliance with project documentation and approvals

Logistics & Inventory Management

Our logistics division is structured to support fast, safe, and efficient movement of goods across the Kingdom and GCC region. With optimized warehouse and delivery systems, we ensure timely dispatch and reliable stock availability for both scheduled and urgent requests.

Capabilities

- ♦ Local delivery and last-mile logistics
- ♦ Inventory stocking and availability planning
- ♦ Emergency and express dispatch
- ♦ Coordination with freight forwarders and customs

Delivery Assurance & After sales Services

Support Lines is committed not only to supplying materials but also to ensuring reliable post-delivery service.

We provide our clients with seamless support from order to delivery and beyond, ensuring satisfaction and continuity.

We Offer :

- ♦ On-time delivery assurance with delivery notes.
- ♦ Replacement or return handling.
- ♦ Dedicated customer service follow-up.
- ♦ Warranty management on supplied items.
- ♦ Technical support and documentation.

Our Supply Chain Advantage

Our integrated supply chain approach gives clients peace of mind when it comes to procurement reliability, stock readiness, and field support.

We align with project timelines and procurement policies to ensure complete transparency and responsiveness.

Highlights:

- ♦ 10+ years in industrial supply chain management
 - ♦ ISO 9001-certified quality procedures
 - ♦ Strong supplier partnerships across Asia, Europe & the Middle East
 - ♦ Flexible delivery models site, warehouse, 3PL
 - ♦ Custom kitting and bundling options for large-scale projects
-
